Appleblossom

NEIGHBORHOOD WATCH

Greetings...

In the next few months I will restructure our program. We do not have the support to go to the next level. We are in desperate need of street leaders. Some streets require 3-4 due to the amount of homes. Until we have full participation we are in limbo. Currently, I only have five volunteers.

In August we had National Night Out and although we got our information late I scrambled to get the Newsletters out as quick as possible. Unfortunately, I was the only person from Appleblossom who showed up.

It is my hope that over the last year I have brought some awareness to our little community. Maybe you spoke to a neighbor who you never really had the time to meet or maybe you now pay a little more attention to what's going on around you.

If you would like to see the crime stats for our neighborhood you can go to the Police station and request them for a fee.

We have had a few new neighbors move in and I want to welcome you all!

We have also lost a few neighbors due to death. I want to take this time to express my deepest sympathy to the families.

Over the next few years our neighborhood will be changing. They have decided to widen the entrance to US-36 West as well as widen US-36 and that will back right up to some of our neighbors on Appleblossom.

It is my hope that we will eventually get this program running at full capacity, but I need YOUR help. Until then, you will only receive four newsletters per year. Once a quarter.

I know that I am very blessed to have met so many of you face to face. Keep an eye out for me in a little white car with Wyatt Group Realty on the side!
